To The Secretary to the Government of Madras,

Thro Local Self Government Department.
The Director of Public Health, Madras.

Madras.

Sir,

R. No 295-IVS
24-7-22
Forwarded & Recommended
Director of Public Health
Madras
24-7-22

The Mangalore Municipality continued to be --- plague infected till about the middle of April last, the last death having occurred on 13-4-1922. Since then the place has been entirely free from any sort of infection, and the rats examined during the period were all found to be free from infection. I am, --- therefore, of opinion that the disease has subsided. The District Medical and Sanitary Officer, whom I --- have consulted in the matter, is also of the same --- opinion and informs me that the Mangalore Municipality may now be declared free from plague. I accordingly request that Government may be pleased to remove it.

from the list of plague infected areas.

Collector.
